PATIENT MISSED APPOINTMENT POLICY

We strive to provide our patients with the utmost professionalism and excellence of service. Our commitment to your well being and the gain of your physical abilities is something that everyone in our medical facility takes quite seriously.

Because we care so much about you we realize that it would be a disservice to you if we did not emphasize the importance of your own commitment to the care you need to receive and to the actions we ask you to do.

Your adherence to the recommended number of treatments is a vital component of your progress with our services; therefore we have certain rules that need to be followed in order to ensure the most optimum results.

We expect you to keep all your appointments. We will write down the time of your visits so that you do not forget. With the exception of serious emergencies it is expected that you keep all your appointments. If you need to re-schedule an appointment we require a 24 hour notice. In such case, please call our office and arrange for a make-up appointment with our front desk receptionist.

We appreciate you greatly as our patient and strive to accomplish wonderful results and success for you.

Thank you,

Dr. Diaz & Staff
